Advanced Disposal a/k/a Waste Management Contract. The Town Board discussed the ongoing issue with Waste Management and the problems occurring with picking up the garbage weekly. There has been delays in pickup or no pickup at all. Calls and emails from residents and staff have gone unanswered or answered by a call center that could not help. Waste Management has said that they have staffing issues. The Board has decided that termination of the contract would be in the best interest. The Board has spoke with and received quotes on garbage and recycling services from GFL and Harter's. Harter's bid was lower than GFL with the same weekly garbage pickup and bi-weekly recycling pickup. Costs are significantly higher than the contract with Advanced Disposal a/k/a Waste Management, even with bi-weekly pickup of recycling. Garbage and Recycling container pickup and change out will need to be determined. **Motion Schwinn, second Lambrecht to authorize Atty. Bauer to contact Waste Management to terminate the Town of Sheboygan Contract for garbage and recycling services as of November 30<sup>th</sup>, 2021. Motion carried. Motion Schwinn, second Lambrecht to award the contract for garbage and recycling services to Harter's. Motion carried.**
