

CURBSIDE CHIPPING

The Town will be picking up brush on Wednesdays in April, May, September and October only. You will need to call the Town Hall at 451-2320 by noon on Tuesday to get on the list for Wednesday chipping. You will be allowed only 15 minutes each month for this service. This service is designed only for handling branches and tree trimmings, not removal of entire trees. As in the past, no branches with thorns will be chipped. If mixed in the pile, the entire pile will be left. Keep your piles small and separated as this allows for quicker removal. Piles cannot be more than 2' high, length of branches are not to exceed 8' long and 2" in width or 6" in diameter. Put all cut ends toward the road. If there is inclement weather on the day of chipping, we will chip the next available day.

Scotty Landscape is the residential drop-off site for residents of the Town of Sheboygan. Yard waste is accepted for FREE. Visit our website at townofsheboygan.org and click on Drop-off Site for the complete list of what is accepted and the cost to bring it to Scotty. The list also includes what is NOT accepted.
