

Chairman's Corner

The Holidays are rapidly approaching, and I would like to take this opportunity to thank our Office Staff, our DPW Workers, our Volunteer Firefighters, EMS, and all those who serve on Sanitary 2 and 3 Boards, as well as Plan Commission, Park, and Board of Zoning. We are certainly blessed to have a great group of people who are willing to give up their time to make the Town of Sheboygan a great place to live and raise your family.

On July 20th we had our first parade in the Town of Sheboygan. The parade was a huge success. Josh Lenz was the Parade Director and he did a great job coordinating all the preparation and planning. There were also many other people who volunteered to make sure the parade was a success. The events that followed were hindered by rain, but the days' events still continued. Thank you to all who attended!

The Splash Pad was completed in September and was opened to ensure everything was working properly. Even during this short period, the Splash Pad received a lot of use. I am sure next year the Splash Pad will get plenty of visitors. A huge thank you to the Park Committee for all your hard work in bringing this project to completion! Below are some pictures of the newly constructed Splash Pad.

In August of this year, Abram Hopp was given approval by the Town Board regarding his request to build a 28' x 16' park shelter at Rudy Mahler Park for an Eagle Scout Project. Abram did an excellent job on the Shelter.

Abram Hopp is pictured below in the park shelter that he constructed for his Eagle Badge with donated materials at the Rudy Mahler Park

Abram Hopp is pictured above at the Town Hall after receiving approval to build a park shelter at Rudy Mahler Park.

An Open House was held at the Town of Sheboygan Fire Department on Saturday, October 19th. There was plenty of excitement for the entire family. The Fire Department did an excellent job with demonstrations, especially Josh Lenz, Assistant Chief pictured below demonstrating to my Granddaughter, Greta Hein how to operate a Fire Truck.

Assistant Chief Josh Lenz and Greta Hein are pictured above.

Our DPW has been tested in the last couple of weeks due to the cold and winter weather we have been receiving. Maintaining the roads are an extremely difficult job and I think our crew does a great job ensuring the roads are cleared and safe to drive on. Please thank the drivers if you have the opportunity.

In closing, I would like to wish all of you a safe Holiday Season and Happy New Year.

Sincerely,

Dan Hein
Chair, Town of Sheboygan
