

**AN ORDINANCE AMENDING SECTION 10.14 OF THE TOWN OF SHEBOYGAN  
SANITARY DISTRICT NO. 2 SEWER USE AND SEWER SERVICE CHARGE  
ORDINANCE**

**WHEREAS**, pursuant to Wis. Stat. §§ 60.53, 60.77, and 66.0821, the Town of Sheboygan Sanitary District No. 2 (the "District") owns and operates a sanitary sewer collection system for the public health, comfort, convenience and welfare of the Town of Sheboygan and its citizens; and

**WHEREAS**, the District has determined that preventing clearwater infiltration from entering the sanitary sewer system is important to the long term maintenance and operation of the sewer system; and

**WHEREAS**, terminating and removing unused sanitary sewer service laterals at the sewer main prevents leaks and clearwater infiltration to the sewer system..

**NOW, THEREFORE**, the Commissioners of the Town of Sheboygan Sanitary District No. 2 do hereby ordain as follows:

Section 1. **Amending Code.** Section 10.14 of the Town of Sheboygan Sanitary District No. 2 Sewer Use and Sewer Service Charge Ordinance is amended to read as follows (Additions are indicated by underscoring and Deletions are indicated by strikeouts):

"10.14 Abandonment of Building Sewer (Sewer Service Lateral).

- A. Disconnection. No person, firm or corporation shall raze a structure or any part of a structure which has been connected to the District's sewer system without first obtaining a permit from the District; and
  - 1. Engaging a licensed master plumber to properly abandon and disconnect the building sewer (sewer service lateral) at the sewer main.
  - 2. Disconnection shall include capping the building sewer with materials approved by Chapter SPS 384 of the Wis. Admin. Code at the entrance to the District's system at the sewer main to prevent materials and liquids from entering the system, except if the building sewer will be reconnected to a building within twelve months of the disconnection.
- B. Reconnection. Before reconnection, a regular plumbing permit shall be required and if the existing building sewer is to be used, the building sewer (sewer service lateral) from the building to the sewer main shall be thoroughly cleaned and inspected for leaks or necessary repairs or replacement."

Section 2. **Effective Date.** The herein Ordinance shall take effect upon enactment and publication as required by law.

Enacted this 20<sup>th</sup> day of August, 2018.
