Emergency Order #12 Safer at Home Order

From: State of Wisconsin Department of Health Services

Tony Evers, Governor and Andrea Palm, Secretary

Governor Evers ordered Wisconsin residents to stay at home, with exceptions for essential work, activities and limited travel. He said people could still go outside to walk and ride bikes, but ordered **All Playgrounds Closed**.

All public and private gatherings of any number of people who are not in the same family or living unit are prohibited. Evers previously limited gatherings to no more than 10 people.

Thank you,
